DRIVERS OF INTEREST

Emma Gilmour
Suzuki Swift Maxi

Last year's rally winner and first rally win by a female at Canterbury. Emma has once again teamed up with co-driver Anthony McLoughlin and will be on a mission to prove why she is one of NZ's most popular female rally drivers.

Greg Murphy
Holden Barina AP4

Four times Bathurst winner Greg Murphy and Co-Driver Mark Leonard will bring the Holden Barina AP4 car to Canterbury this time to complete the rally. After mechanical issues and an off in Whangarei, they will have something to prove at the iconic forestry roads of Canterbury.

Matt Summerfield
Suparu Impreza

Off the back of a win at the International Rally of Whangarei, Matt Summerfield and Co-Driver Nicole Summerfield will be looking for back to back wins on their home roads in their Subaru WRX. Currently sitting 2nd in the NZ Rally Championship by two points, they will be looking to take the lead of the championship.

Ari Pettigrew
Ford Fiesta ST150

Ari Pettigrew and co-driver David Calder will be hoping the mechanical difficulties suffered by the Stadium Cars Fiesta are a thing of the past. This is a home rally for Ari and he will be wanting a good result.

Job Quantock
Hyundai i20 AP4+

Job will take the Hyundai i20 to the forestry roads of Canterbury. With yet another new co-driver Jason Farmer after his current co-driver Erin Kyle broke her wrist. This car showed good pace in Otago and Whangarei. Job will also be looking to make his mark under the Young Driver Scholarship Programme

Marcus van Klink
Mazda RX8

Marcus will again take his new Mazda RX8 to the roads of Canterbury along with co-driver Dave Neill. The new RX8 shows awesome power and potential but has suffered a series of mechanical difficulties in the preceding events. Will Canterbury be the event that shows the true potential of the car?

Ben Hunt
Subaru WRX sti 16

2015 NZRC champion Ben Hunt and co-driver Tony Rawstorn will be looking to move up the point's board at Rally Canterbury. Being past winners, they are an experienced team who will be fighting hard.

Chris Herdman
Toyota Starlet

Chris has been a dominant driver in the 1300cc class over the past 2 years with co-driver Aaron Ruddick. His mechanical issues last year opened the way for his trainer, Graham Wilson. This year will be a very close contest between these two. Make sure you are there to view their battle.

Dylan Turner
Audi S1 AP4

Many eyes will be watching as Dylan and co-driver Malcolm Read takes their new Audi Quattro S1 AP4 car through the Canterbury Forest. Known for their speed and ease of driving, this car should love the flow of these South Island roads. He had a great debut at Whangarei and will be looking for a similar result once again.

STAY SAFE

RALLYING CAN BE DANGEROUS, AND SPECTATORS ARE ADVISED THAT THEY WATCH AT THEIR OWN RISK.

Study these diagrams. The orange areas indicate PROHIBITED AREAS where it could be dangerous to stand. Do not go there as this could cause delays or the cancellation of the stage.

Thank You:

Thank you to all the volunteers, event organisers, scrutineers, block marshals, recovery crews, timing crews, start and finish teams and everyone that makes the Lone Star Rally of Canterbury possible

Do...

- Always obey a marshal
- Stand in a naturally protected area
- Please leave your dog at home
- Understand that a car can crash in a very unpredictable way and place

Don't...

- Assume that you can hear a car coming
- Stand on the outside of a corner
- Assume you can make a hasty escape from a car crashing - there's never time!
- Assume that rally cars will arrive at even intervals
